# Welcome, Scots!

Highland Park Football Fans,

Welcome to tonight's game! We are excited that you're here to support the **Scots!** There isn't any better entertainment in the State of Texas on Friday nights than *high school football!*

Both teams come into tonight's game having worked extremely hard since last January to prepare for this moment. Countless hours spent in off-season, the weight room, summer conditioning programs and 7-on-7 competitions have brought the Scots to this point. Participation in high school football requires a special individual due to its extremely competitive and physical nature. We hope you recognize the sacrifice these young men make for their teams, schools and communities.

We also ask that you recognize our outstanding, award-winning Highlander Band, Color Guard, Bagpipe Corps, Cheerleaders, Scotsmen, and Highland Belles. These young men and women do a great job of representing Highland Park. Other student groups and a large percentage of our student body are in attendance tonight supporting all those who wear the Blue and Gold. **We very much appreciate their support and spirit!**

We are fortunate to have tremendous leadership from Dr. Tom Trigg and the HPISD administration. At HPHS, Walter Kelly and his staff create a leadership environment both in and out of the classroom that is second to none. Our faculty is a dedicated group, demanding academic excellence while being very supportive of our students in their many activities. Highland Park is a special place due to our outstanding administration and faculty!

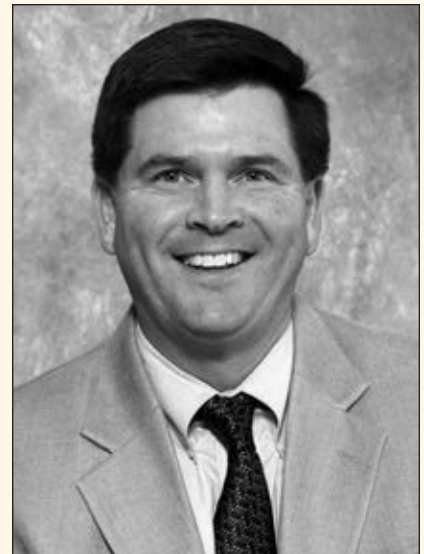

All extra-curricular and co-curricular activities teach life lessons. Students can pursue their talents, learn to work together as a team and develop leadership skills which will benefit them the rest of their lives. As educators and coaches, we stress character, integrity, sportsmanship, perseverance and teach valuable life skills which students will use long after their high school days.

Again, thanks for coming to tonight's game. We appreciate your support.

Remember, ***Everyday is a Great Day to be a Scot and Scot Fight Never Dies!***

## Game Day Reminders:

- 1) Wear Blue & Gold to the Game.
- 2) Come Early, Be Loud the Entire Game, Stay Late!
- 3) Greet the players when they come out of the indoor activity center for the Highlander March!
- 4) Yell with the cheerleaders, Dance with the Belles and Clap to the beat of the band!
- 5) After the Game, Congratulate the Players!
- 6) **Most of all, HAVE FUN!**

## Highland Park Win UIL Lone Star Cup for Record 11th Time; Four Scots Teams Win 2018-19 State Championships

Highland Park won the 2019 5A UIL Lone Star Cup, marking the 11th time the Scots have won the award – more than any school in UIL history. This season Highland Park won state championships in team tennis, football, boys golf and girls soccer.

The Scots also won bronze medals in academics, boys wrestling and boys swimming & diving.

It was the third year in a row that the HP football, tennis and boys golf teams won state championships. The girls soccer team won its seventh state title, the most soccer championships of any school (boys or girls) in the state.

The Lone Star Cup recognizes the top six Texas high schools in each of its six enrollment classifications based on their overall team achievement in a variety of sanctioned academic, athletic and music championships. The statewide competition began 22 years ago during the 1997-98 school year.

The Scots finished with 124 points, which tied them with Argyle for the most points in all categories statewide. Last year the Scots were the runners-up in the Lone Star Cup with 83 points. This year HP totalled 41 more points to give them a total of 124 points. Three schools from the Dallas-Fort Worth area finished in the 5A top ten – Lovejoy, Aledo and

1. Highland Park	124 points
2. Dripping Springs	92 points
3. Georgetown	76 points
4. Cedar Park	75 points
5. Lovejoy	73 points
6. Frisco Wakeland	72 points
7. Aledo	63 points
8. Kerrville Tivy	63 points
9. Boerne Champion	61 points
10. Friendswood	61 points

Frisco Wakeland.

Sports and competitions included in the scoring are volleyball, marching band, tennis, team tennis, cross country, football, swimming, wrestling, basketball, soccer, golf, track & field, academics, one-act play, softball and baseball.

Highland Park won the Lone Star Cup in 1998, 1999, 2000, 2003, 2004, 2005, 2006, 2007, 2008 and 2017. The Scots finished in third place in 2009, fifth place in 2010 and second in 2012, 2013, 2014 and 2018. The Scots' 11 wins are the most for any school on any level.

After the Highlander Band finished 10th in the state band competition last year (the band's highest finish in school history), the band's Wind Symphony placed second in state this year.

"Winning two Lone Star Cups over the past three years demonstrates the breadth of our students' abilities, and their dedication to doing their best in a wide array of athletic and academic endeavors," HPHS Principal Walter Kelly said. "Beyond this dedication, they have done so through a commitment to Highland Park High School and have done so side-by-side with their friends and teammates. I am so proud of our students and their success."

"What an outstanding job by our students and staff - in addition to earning the 11th overall title, it is the 15th time in the 22-year history of the Cup that the Scots have finished first or second," HPISD athletic director Johnny Ringo said. "We scored 124 points, the most in school history, which is a true reflection of HPISD's excellence in all areas."

"Winning the Lone Star Cup is quite an achievement and is symbolic of excellence in the important areas of academics, arts and athletics," HPISD Superintendent Dr. Tom Trigg said. "Congratulations to everyone who contributed to this monumental accomplishment: students, teachers, directors, coaches and the many parents who support them."

Highland Park Athletic Coordinators are Susan Bailey and Randy Allen.

# This dog is an **MVP**

**A year ago, Snoopy stopped a home invasion.**

---

He plays guardian to a low-income, homebound senior in our community. Snoopy's pretty good at his job: he snagged a piece of the intruder's sock as he ran away. But Snoopy is more than home security. Snoopy's companionship gives his elderly owner a crucial sense of purpose, dignity and independence.

We take care of Snoopy so he can take care of his owner.

We thank the HPISD community for 70+ years of support by partnering with VNF Meals on Wheels and Made in Texas Service Dogs.

2019 marks Coach Randy Allen's 46th year of coaching. He has served as a head coach for 38 years, leading his teams to the playoffs for 37 seasons. Coach Allen has the fourth most wins of any football coach in the history of Texas high school football, with a career record of 392-87-6 and a winning percentage of .820.

A scholarship recipient in football, Coach Allen attended SMU, where he played football and baseball and graduated with a BA degree in 1972. He went on to earn his Master's degree in Education from Texas A&M.

This marks Coach Allen's 21st season at Highland Park, where he has a record of 239 wins and 28 losses. With 832 wins, the HP football program has the most wins in the history of Texas high school football. Under Coach Allen, HP's home record is 101-1. The 2005 Scots won the first State Championship in 48 years with a record of 15-0. The 2016 team (14-2), the 2017 team (15-1) and the 2018 team (16-0) each won state championships. HP is only the 18th team in the history of Texas high school football to win three consecutive state titles. Sportswriters have called HP's 2017 dramatic come-from-behind win against Marvell, 53-49, the greatest State Championship game in UIL history.

Coach Allen served on the Board of Directors of the THSCA from 1986-89 and was President of the THSCA in 1994-95. He was Coach of the North All-Star Team in 1997. He was named Division 1-4A Coach of the Year for 2005 by the Sports Writers of Texas, Gerald Ford Texas High School Coach of the Year, and also inducted into the Big Country Athletic Hall of Fame and the THSCA Hall of Honor.

He is also a 2017 SMU Distinguished Alumni recipient.

Coach Allen's belief in the power of faith and integrity in the lives of players and their communities led him to write "Coaching by The Book – The Purpose and Passion of a High School Coach", published in 2006 and "Coaching Character" published in 2010.

# BEFORE THE KICKOFF

## Highland Park vs. Mansfield Legacy

The Scots welcome the Mansfield Legacy Broncos to Highlander Stadium tonight for Highland Park's 2019 Homecoming game.

The two programs have fought several good battles over the past few years, highlighted by the 2016 state quarterfinals when HP edged Legacy, 14-7, as the Broncos were throwing into the end zone to tie or win the game on the final play. As many remember, Scots defensive back **George Stewart** swatted the potential touchdown pass away from the receiver's hands as time expired. Highland Park went on to win the state championship.

"Legacy has a history of great teams," said HP head coach **Randy Allen**. "They have the athletes and the coaching. They had three D-1 players last year. They have playoff experience and pride in what they do. Their quarterback has been hurt and he may be back for our game. They will be coming off an open date so they'll be prepared for us."

The Broncos come into the game 0-5, and yet are still predicted to qualify the playoffs. In district play they have lost games to state-ranked Lancaster, 61-0, and crosstown rival Mansfield Timberview, 19-2. The Broncos dropped their pre-district games to Jenks, Oklahoma (38-0), Crowley (52-14) and 6A Mansfield (37-7). After tonight their next four games will be against Bryan Adams, Samuell, Sunset and Woodrow Wilson.

The Broncos are led by running back **Ayo Adeyi** (#21, 5-7, 173) who has run for 442 yards and scored three touchdowns. Quarterback **Dante Chaney** (#5, 5-10, 187) has thrown for 163 yards while the other QB, **Andrew Smith** (#7, 5-10, 160) has thrown for 111 yards and a touchdown. The Scots may see both tonight. Legacy's top two receivers are **Richard Rocquemore** (#12, 5-10, 170) and Adeyi, coming out of the backfield.

Legacy is averaging 4.6 points per game while its opponents are averaging 41.4. The Broncos have scored three touchdowns this season, all three by Adeyi – two on the ground and one in the air.

The Scots continue to improve. After the loss to Frisco Lone Star (who replaced the Scots as the state's top-ranked 5A team)

HP has won two games by the average score of 64-0.

After winning the first two games of the season to Rockwall, 66-59, and Mesquite Horn, 52-25, the Scots were stopped by Lone Star, 30-19. As district play started HP won its first two games to Bryan Adams, 62-0, and Woodrow Wilson, 66-0.

Highland Park came into the season as the pre-season pick to win the state championship, something that did not happen the previous three years as the Scots won three titles in a row. But the

loss to Lone Star gave HP a clear indication what, how and where the team needed to improve. That message should help the Scots in the heat of the playoffs.

HP's dual-threat quarterback **Chandler Morris** (#4, 6-0, 178) continues to lead the team in passing and rushing. He has passed for 1,604 yards and 17 touchdowns while rushing for 264 yards and nine more TDs. **Doak Walker** (#22, 5-9, 170) has gained 172 yards on the ground and 51 by air, scoring three touchdowns.

First-team running back **Hunter Heath** (#38, 5-6, 145) is back from an injury and picked up 114 yards against Woodrow Wilson. Junior running back **Brooks Bond** (#31, 5-11, 165) leads HP rushers with four touchdowns. Injured RB **Will Anderson** (#2, 5-9, 180) is expected to be ready soon.

HP's top WR is **Ben Smith** (#3, 5-8, 150) with 619 yards and six TDs, followed by **Paxton Anderson** (#6, 6-4, 200) with 307 yards and three TDs, **Case Savage** (#4, 5-10, 170) with 304 yards and four TDs and **Will Pettijohn** (#86, 5-10, 170) with 161 yards.

The Scots defense has thrown two shutouts in a row through district play. They continue to get better and will continue to be tested as the schedule gets tougher. Special teams have done well while waiting for injured kicker **Wesley Winters** (#94, 5-11, 170) to get better. **Hayden Clyce** (#11, 5-11, 172) has filled in nicely and has proven to be the most vicious tackler of all area kickers.

Homecoming will feature football captains from years ending in nine, including 1999, Coach Allen's first HP team. A 1969 captain, **Paul Flowers**, will be surrounded by some of his grandchildren, whose other grandfather, Coach Allen, will be also be honored at halftime for recently becoming the third winningest coach in the history of Texas high school football.

# MEET THE RECEIVERS

**Drew Scott**

The 2019 Scots boast a talented and deep reservoir of receivers. Outside receivers coach **Max Hawsey** and inside receivers coach **Morgan Stringer** feel blessed to have such a strong and athletic group of young men in their fold.

Senior captain **Drew Scott** (#7, 6-2, 185) is a returning starter who broke his collar bone in last year's playoffs and then hurt his knee before this season. He recently was cleared to play and caught four passes for 48 yards and scored a touchdown against Woodrow Wilson in his first game back.

"Drew is a difference maker," said Hawsey. "He is fast, strong, has great hands and is instinctive. He's very hard to cover one-on-one. We're thrilled he's back. His best games are in front of him."

Scott is also a basketball captain and plays lacrosse for HP.

**Ben Smith**

**Sam Sessions**

The leading receiver for the Scots is senior slot receiver **Ben Smith** (#3, 5-8, 150), who has caught 31 passes for 616 yards and six touchdowns. He is a returning starter who has a knack for creating big plays. A Player Committee member, he practices hard and is hungry to get better each week.

Senior **Paxton Anderson** (#6, 6-4, 200) rotated last season with **Drew Dodge**. This season he is starting at the X position and has caught 18 passes for 307 yards and three touchdowns. He is a rangy, physical player who takes pride in his reputation for blocking. He has long arms, strong hands and is fast. He's difficult to cover one-on-one. Since last season he has worked hard on his pass-catching skills and his coaches agree that his efforts are paying off. Like Smith, Anderson is a member of the Player Committee.

Senior **Case Savage** (#5, 5-10, 170) is starting inside receiver who has caught 18 passes for 304 yards and four touchdowns. He has also completed both of the passes he has thrown for a total of 56 yards. Savage got quite a few quality reps last season and that is paying off for him this year. The two words coaches use for him are "smooth" and "consistent". Savage is also a key

member of the Scots baseball team. Rotating in at outside receiver are juniors **Will Pettijohn** (#86, 5-10, 170) and **Crockett Corwin** (#44, 5-8, 155) who each have an older brother who recently played on HP state championship teams. Pettijohn started in place of the injured Drew Scott and held down the position well. He has caught 10 passes for 161 yards. He is a good route runner who has a knack for getting open. Like Scott, Pettijohn is very fast and is a legitimate deep threat. He is good enough to start for HP or anyone else. He is also on the track team. Corwin has worked hard to earn playing time. He has caught six passes for 49 yards, including at least one reception in each game this season. He can play inside or outside receiver. He is fast, smart, dynamic and has the ability to get open. "He's ready," said Hawsey. Senior **David Sherer** (#9, 5-11, 145) moved from safety and overcame injuries to have a breakout game against Bryan Adams. Sherer caught three passes for 51 yards and a touchdown that will make the Scots highlight reel for best touchdowns. Unfortunately, later in that game he broke his collar bone and is out for the season. He had surgery last week. "It's heartbreaking," said Hawsey. Junior **Sam Sessions** (#34, 5-10, 150) and sophomore **John Rutledge** (#19, 5-10, 160) rotate in at inside receiver. Sessions leads the team with 25.67 yards per catch. He has three receptions for 77 yards. Sessions was a neighbor of a standout Scots receiver named Morgan Stringer who is now his position coach. He'll continue to add depth and get more touches. He also plays baseball. Rutledge is one of two sophomores on the Scots' 148-man roster. He has caught three passes for 57 yards. His great-grandfather (Red) was HP's head coach from 1959 to 1962. His grandfather (Red) and father (John) were both HP captains. When Stringer began coaching 7th grade football, Rutledge was on his team, so the coach knows him well.

# MEET THE RECEIVERS

Alex Kashata

Patrick Krejs (#87, 5-8, 135) is a team-first guy who uses his speed and athleticism to add depth. He has also been valuable as a backup kicker – and nailed a 25-yard field goal and is 4-for-4 in PATs. He is a strong leader and a soccer captain.

The brains of the receiving corps is Matthew Mathison (#82, 5-9, 161), who is a National Merit Semifinalist. He's got a great team-first attitude and strong leadership skills. He had a reception in the Woodrow Wilson game. He also plays trumpet in the band.

Noah Parette

One of the team's hardest workers is Tripp Groth (#83, 5-8, 140), who leads the snappers, getting them ready during practice. He's a selfless player who is willing to do whatever he can to make the team better.

Landon Ellis

Travis Dickey (#81, 5-9, 145) is a senior outside backup who is smart, fast and unselfish. He caught a 13-yard pass against Bryan Adams. A popular teammate, he knows a lot about BBQ.

The most liked receiver on the team is probably Chase Yarbrough (#17, 5-5, 125) who is a backup kick holder. He's competitive and has a forced fumble. They call him Yarby.

When Michael Bassett (#89, 5-10, 170) moved in from Waxahachie he brought great speed and athleticism with him.

Christopher Peck

Luke Sloan

Jack Swaner

Cole Knippa

Bassett asks questions and wants to get better. He's always upbeat and has a great work ethic.

Two senior receivers have been out for the season with injuries. Connor Baroody (#40, 6-2, 173) has a stress fracture in his back and Cooper Feagans (#88, 5-10, 140) tore his ACL the day before the spring game. Baroody had been moved from safety to receiver. Now he helps with drills. Feagans is a tough competitor who is also a key contributor to the HP track team. He was the district champion in the long jump and was an area qualifier in the triple jump.

Junior Carson Green (#80, 5-9, 150) has been out with an injury and continues to contribute to the team at practice and off the field. He has helped the inside receivers form a strong bond.

Juniors who are getting valuable experience with the JV Blue team on Thursday nights are: Noah Parette (#85, 6-1, 183), Landon Ellis (#80, 5-11, 150), Parker Owen (#46, 5-10, 155), Christopher Peck (#48, 6-2, 170), Charlie Featherston (#85, 6-2, 175), Alex Kashata (#89, 5-10, 170), Luke Sloan (#42, 5-9, 140), Jack Swaner (#44, 5-8, 142), Cole Knippa (#48, 5-6, 155) and Reagan McVeigh (#33, 5-8, 155).
